Attention: John Donovan

Dear Mr. Stoner:

Per the provisions of 23 CFR 450.216, the Illinois Department of Transportation (IDOT) hereby presents an administrative modification to the current Amended FY 2009-2012 Statewide Transportation Improvement Program (STIP) for the American Recovery and Reinvestment Act (ARRA) funded projects.

Attached is a project listing of the local ARRA funded projects that were previously included in the STIP as federally funded and are being modified to ARRA funded or partially ARRA funded. The public involvement has been fulfilled as part of the prior STIP requirements. The local ARRA funds are identified in Addendum 1 of the FY 2009-2012 STIP. The approved ARRA projects are eligible for 100 percent local federal ARRA funding. We will post this modification on the IDOT website for public information.

Please contact our office if you have any questions at (217) 782-6289.

Sincerely,

A handwritten signature in cursive script that reads "Dick Smith".
